**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who uses broadband and supports broadband competition.

NO to price hikes that will increase the cost of internet and telephone service.

I also have competitive telephone service, living in a rural community my choices are limited and the local broadband providers are critical.
